REFERRALS FROM CE (N=1,592)

PRIORITIZATION LIST REFERRAL SOURCE (N=301)

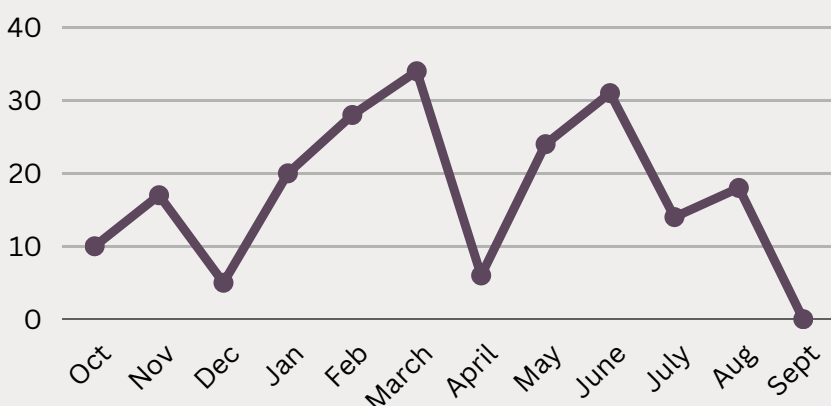

CE SCREENINGS BY MONTH (N=301)

In July 2022, the CE line began referring individuals experiencing homelessness to Supportive Services Only (SSO) so they could be connected to CES prior to/without entering shelter

In Q3, an online community partner referral form was created, expanding access to CES and a likely factor in the increased CE screenings during the second half of the fiscal year

HOUSING PROGRAM REFERRALS (N=207)

Two housing surges occurred within HUD Rapid Rehousing programs - Singles in March & Families in June - otherwise housing program referrals were fairly steady over the year
